General Eligibility: This offer is valid for City of Duluth Public Works and Utilities/ComfortSystems natural gas utility customers only. In order for a customer to receive a rebate on heating equipment products must be on ComfortSystems' list of equipment qualifying for the rebate. See the list of equipment qualifying for a high efficiency boiler or furnace rebate at www.comfortsystemsduluth.com.

Verification: The City of Duluth Public Works and Utilities Department/ComfortSystems may verify installation of products before issuing rebates during code inspections. Installation must pass code inspections before rebate will be issued. Customer agrees to cooperate if ComfortSystems decides to verify installation with a separate inspection or with a sales receipt (s).

Program Modifications: Duluth Public Works and Utilities/ComfortSystems reserves the right to alter or discontinue this rebate offer at any time without notice.

Disclaimer: Duluth Public Works and Utilities/ComfortSystems reserves the right to deny or limit any rebate request. In addition, Duluth Public Works and Utilities/ComfortSystems offers no warranties on product or service installations provided nor does the program warranty, guarantee, or endorse the energy efficiency claims or services provided by any specific contractor participating in the program. Duluth Public Works and Utilities/ComfortSystems does not endorse or approve of the suitability of specific equipment installed for rebates in this program.

Eligibility Dates: A rebate is available for eligible furnaces and boilers installed between January 1, 2024 and December 31, 2024 based on approval of the Duluth Public Works and Utilities Director and available funding. All forms must be postmarked or e-mailed no later than 3 days after the unit is installed to be considered eligible for a rebate. Please allow 8-10 weeks to receive the rebate(s). Rebate will be credited to the customer account.
